Recall Ballot
CITY RECALL ELECTION
City of Salmon, State of Idaho
November 2, 2010

Reasons stated for recall as appears on petition:

Knowingly violating the Open Meeting Laws of the State of Idaho; Instructing the Salmon Police Chief, Jim Spain, to not enforce the Drunk Driving Laws of the State of Idaho, thus endangering the citizens of Salmon that elected him to the position of Mayor; and His public disdain and lack of support for the Salmon Police Department.

Mayor Miller stated that the following is justification of his course in office:

“While Chief of Police of the Salmon Police Department, John Miller did not ever give a blanket, direct order to not arrest “any” DUI drivers in our jurisdiction.”
